

# Special Needs Santa Visit

Come Join Us On Sunday, December 4th

We have arranged for a private visitation time with Santa for children with Autism and Special Needs at Twelve Oaks Mall in Novi. This is a **FREE EVENT!**

Santa has set aside a special time from 9:00—10:30 am to meet with children (and the brothers and sisters of children) with special needs. This visit was specially arranged to take place early in the day before the mall is busy to make it easier for children who need a quieter time or have a hard time standing in line with all the loud noise, hustle and bustle of the mall.

A professional photographer will be on hand to take pictures but **you are not required to purchase** the pictures.

We look forward to sharing this special experience with your child and family and look forward to seeing you from .....
